

SCOTT BRADY
CLASS OF 2000

Scott Brady, CFP[®], born and raised in Point Pleasant, graduated Point Pleasant Boro High School in 2000. As a student-athlete, Scott was a multi-year captain and MVP of both the wrestling team and the golf team. After graduating, Scott attended Loyola College in Maryland, where he graduated with a Bachelor's degree in Business Administration, specialization in Finance.

Returning to Point Pleasant after college, Scott began working at Associated Financial Planners, LLC. He earned his CFP[®] (Certified Financial Planner[™]) designation in 2007, completing the course requirements through Boston University's center for professional education. At the time, he was one of the youngest CFP's[®] in the country. Scott purchased Associated Financial Planners, LLC in 2010. Today, the company services over 600 clients nationally, but primarily in the local and regional area. Scott received TFS's (Tomorrow's Financial Services) Community Service Award in 2013 and has been a member of their Inner Circle Advisory Board since its inception.

Scott is co-founder of the Carmie Brady Foundation, Inc., which is a 501(c)(3) charitable organization dedicated to helping local children who are suffering from serious illnesses. Since 2008, the

foundation has raised close to \$500,000 through local fundraising. The Carmie Brady Foundation is run by all volunteers with no overhead, meaning all the money raised goes to sick children right in our community. To date, the Carmie Brady Foundation has helped over 70 local families.

In addition to the fundraising for local children, a cancer walk is held each year to support the Carmie Brady Room at the ACS Hope Lodge in NYC. The Hope Lodge is a building where anyone being treated for cancer can stay free of charge. The foundation has donated over \$150,000 to the Hope Lodge to date. Throughout the years, Scott has been a guest speaker at several events for the American Cancer Society's Hope Lodge.

Scott has been an assistant/volunteer wrestling coach at Point Boro since 2008. Throughout his tenure, the team has produced 14 district champs, 4 region champs, 4 state place winners, and 3 divisional championships. Most importantly, Scott has been able to work with the wrestlers to pass on the lessons taught to him, which continue to be the foundation of his accomplishments.

Scott's most recent accomplishment was earning his Private Pilot license, allowing him to fly small airplanes.

Scott is fortunate to have his father and brothers all living in the local area and spends as much time as possible with his nieces and nephews. He also travels the world as much as time allows, having visited over 30 countries.

Scott continues to support as many local organizations and events as possible, especially in the Point Pleasant community. He is a perennial supporter of the Point Pleasant Foundation, Point Boro Boosters, Elk's, VFW's, American Legions, Just Us Girls, Friendly Sons of the Shillelagh, events run by Point Pleasant schools and athletics, along with many local fundraisers not run by a formal organization. His continuous goal is to give back as much as possible to the people of his community.
